ASBA Member survey: We appreciate your feedback

Thanks to all those who completed the 2014 ASBA Member Survey. The results will help us plan for the future and improve and enhance the services and support the Arizona School Boards Association provides. When the ASBA Board of Directors meets in early January to review and update and association's strategic plan, these results will be a key component of the process. For those who submitted their names to enter the gift card drawing, the drawing will take place on Wednesday, Dec. 10, at 6:30 p.m. in the Exhibit Hall Learning Lab area.

ASBA Annual Conference is this week

Nearly 600 board members, superintendents and education leaders from over 150 districts across the state have registered for this week's conference in Phoenix. Complete [AGENDA](#) and conference information is available online.

Learning Labs are new feature in conference exhibit hall this year

If you are attending the annual conference, be sure to check out the new Learning Labs presented by our event sponsors. You won't be able to miss them, because this year conference registration will take place in the exhibit hall. These Learning Labs will give attendees the opportunity to learn about the special services and products available to them. Once again, there will be a contest to collect decals from individual vendors culminating in a \$600 cash prize drawing at the end of the conference. Don't miss it.
